DISBURSMENTS

Disbursements are items arranged for and possibly paid for on your behalf, by the funeral home. You are expected to pay for these items at the time the contract is entered into. The following are some items that are often identified as disbursements:

Coroner's Fee: This is a fee charged by the coroner for issuing a certificate that allows cremation to take place. The fee is set by the Chief Coroner for Ontario.

Clergy Honourarium: This is an amount paid to the clergy for their services. In some cases, the amount is set by the clergy – considered a "Clergy Fee", in other cases, it is an amount to be determined by you and would be considered an honourarium or offering.

Newspaper Notices: These are charges for death notices placed in newspapers.

Luncheons: The funeral home can arrange for a luncheon following your services.

Cemetery Fees: The cemetery, chosen by the family, charges a set fee for the opening and closing of the grave, and may have additional weekend or holiday charges. Each cemetery has different set amounts. Cemetery fees must be paid directly to the cemetery.

Municipal Death Registration Fee: This fee is charged by the local municipality to register the death. The fee is set by the municipality.

Cremation/Aquatorium Fee: Price set by crematorium/aquatorium of your choice.

Bereavement Authority of Ontario Consumer Protection Fee: The fee is charged by the Bereavement Authority of Ontario (BAO) in order to provide its services of information on your options in bereavement services and to regulate the profession making sure the law is consistently followed. Please read the BAO's free Consumer Information Guide on its website or in print

PAYMENT, FINANCING AND FUNDING

At Need Payment: The Purchaser will be required to make a 30% deposit at the time of signing the contract for funeral services plus any cash disbursements. The balance of the contract is due within 16 days of signing the contract. Payment may be made by cash, cheque or money order.

Pre-Paid Arrangement Payment: When prepaying, you pay for the services and supplies today. The funds deposited plus the interest accrued will be used to pay for the services and supplies when they are delivered at the time of death. If there is any money left due to the interest earned, it will be refunded to the estate. A T-5 will also be issued. Should you cancel the contract after 30 days, you will be charged an administration fee in the amount of 10% of the prepayment funds, up to a maximum of \$350.00.

Trust: You make your payment in full to us or provide a cancelled cheque for monthly payments and we will place this money in a trust account where it will accrue interest until the contract is fulfilled (when services and supplies are delivered) or the contract is cancelled.

Insurance: You may purchase an insurance contract where the proceeds of the insurance contract will be used to pay for the services or supplies at the time they are delivered, or the contract is cancelled.

Additional information about our payment options is available upon request.

HST is in addition to the prices shown, unless otherwise stated.
